Subject: Re: Change in Institutional Official- Univ. of Oklahoma Norman campus

Hi Dr. Boone,

I have one small correction to the information in the previous email I sent this afternoon about our change in Institutional Official.

**The correct Title that should be listed for (b) (6), (b) (7)(C) is "Interim Vice President for Research"

My apologies,

(b) (6), (b) (7)(C)

(b) (6), (b) (7)(C) DVM
