Good morning,

I am the IACUC Chair at Hope College, Customer ID umber 199. I have tried to change our contact information several times, so I hope this works. You have (b) (6), (b) (7)(C) as the contact person (IO) for Hope. She hasn't been IO for several years. Please change that to (b) (6), (b) (7)(C). Additionally, please add "Biology Department" after "Hope College." The letter about the annual report was sent to the wrong place, so I did not even receive it until January. Thank you so much and please let me know if you need any additional information.
