Memo

Date: 07Jan2019

To: USDA Animal Care (APHIS); AAALACi

From: (b) (6), (b) (7)(C)

Subject: Appointment of new Institutional Official for BD

Our current Institutional Official, (b) (6), (b) (7)(C) will retire from Becton Dickinson effective March 31st, 2019. As a result of this change, I have appointed (b) (6), (b) (7)(C) Vice President of Corporate Preclinical Development and Toxicology as BD's new Institutional Official. (b) (6), (b) (7)(C) is BD's Chief Toxicologist and oversees the operations of our Research Animal Facility (RAF) located in Research Triangle Park, North Carolina. He has been an active member of BD's global animal care program for well over a decade and in his supervision of the RAF has demonstrated that he is fully capable of providing the required oversight and resources needed to ensure that BD continues to provide superior animal care for all its animals and related animal use needs. (b) (6), (b) (7)(C) will ensure all obligations under the Animal Welfare Act and The Guide for The Care and Use of Animals are met and that BD AAALACi accreditation is supported and maintained.
