Subject: Request for site removal from research registration

Hi Betty,
Happy New Year! I hope that you are doing well. Attached please find a letter requesting the removal of the CR Research Models site in San Diego, CA (site 25) from the CR USDA research registration. We will no longer have any USDA regulated animal use activity at this location. Please let me know if you have any questions or need any additional information. Thank you!

Kind regards,

Re: USDA Research Registration 14-R-144
Removal/Deletion of Site #: 025

Dear Dr. Goldentyer:

The purpose of this letter is to inform you that effective January 4, 2019 Charles River Laboratories, Inc. would like to remove the Charles River Laboratories Research Models and Services – San Diego, CA, site located at 10788 Roselle St., San Diego, CA 92121 from the above mentioned USDA Research Registration. There will no longer be USDA regulated animal activities conducted by Charles River at this location. The last day of animal activity at the site was December 28, 2018.

If I can be of any further assistance, please contact me.

Sincerely,
