* Names of members, other than the chairperson and veterinarian, may be represented by a number or symbol in this report to OLAW. Sufficient information to determine that all appointees are appropriately qualified must be provided and the identity of each member must be readily ascertainable by the institution and available to authorized OLAW or other PHS representatives upon request.

** List specific position titles for all members, including nonaffiliated (e.g., banker, teacher, volunteer fireman; not "community member" or "retired").

*** PHS Policy Membership Requirements:

<i>Veterinarian</i>	veterinarian with training or experience in laboratory animal science and medicine or in the use of the species at the institution, who has direct or delegated program authority and responsibility for activities involving animals at the institution.
<i>Scientist</i>	practicing scientist experienced in research involving animals.
<i>Nonscientist</i>	member whose primary concerns are in a nonscientific area (for example, ethicist, lawyer, member of the clergy).
<i>Nonaffiliated</i>	individual who is not affiliated with the institution in any way other than as a member of the IACUC, and is not a member of the immediate family of a person who is affiliated with the institution. This member is expected to represent general community interests in the proper care and use of animals and should not be a laboratory animal user. A consulting veterinarian may not be considered nonaffiliated.

[Note: all members must be appointed by the CEO (or individual with specific written delegation to appoint members) and must be voting members. Non-voting members and alternate members must be so identified.]

Annual Report to OLAW – Attachment 1

Institution: University of Mississippi

Assurance Number: D16-00232 (A3356-01)

Reporting Period: 01/01/2019 – 12/31/2019

This institution's Institutional Animal Care and Use Committee (IACUC), through the Institutional Official, provides this attachment to its annual report to the Office of Laboratory Animal Welfare (OLAW).

Changes to the Institution's Animal Care and Use Program

The IACUC at University of Mississippi reports the following change to the Animal Care and Use program:

Paragraph III.D.9, second section:

Continuing / Periodic Protocol Review

- Protocols for USDA Covered Species are reviewed by a member or members of the IACUC at least annually.
- As part of annual review of protocols for USDA Covered Species, PIs submit a Protocol Annual Update Form. This form follows up on the same areas covered in the Protocol Application Form (e.g., numbers of animals obtained, pain category, unanticipated problems, humane endpoints reached, alternatives, 3 Rs, and planned changes to the protocol).
- Protocols for non-USDA Covered Species are administratively monitored at least annually.
- As part of annual update of protocols for non-USDA Covered Species, PIs submit an abbreviated Protocol Annual Update Form. This form follows up on the numbers of animals used and any unanticipated problems.
- Annual protocol reviews for USDA Covered Species are recorded in the IACUC meeting minutes. The IACUC meeting minutes are reviewed and approved by the Committee.
- Protocols for both USDA-covered species and non-USDA covered species are approved for a maximum of 36 months. That is, all protocols expire no later than the three-year anniversary of the initial IACUC review.
- If ongoing activities will continue beyond the expiration date, prior to expiration of the original or preceding protocol, a new protocol must be submitted, reviewed, and approved as described in Paragraph III.D.6. above.
