We are happy to announce that we have introduced an online self-service tool to assist you in determining the appropriate application to complete as required under the Animal Welfare Act (AWA).

Visit efile.aphis.usda.gov/LRAssistant to complete the 5 to 15 minute questionnaire that will recommend the specific license and/or registration types required (if any) and provides links to download those applications.

Subject: Independence Community College USDA update

Good as afternoon,

I am the registered veterinary technician at the ICC Veterinary Nursing program. I am sending this email to update our veterinary nursing program information with the USDA (b) (6), (b) (7)(C)

(b) (6), (b) (7)(C) is no longer with the school. (b) (6), (b) (7)(C) is now the director of the program and her email is (b) (6), (b) (7)(C) @indycc.edu.

After consulting with (b) (6), (b) (7)(C), we have decided we would like to discontinue our USDA registration. We are not using animals that fall under IACUC. We have received resources from Dr. Shaver on courses we can take to make sure our IACUC protocols meet all required criteria. Please let me know if you need any other information from us.
