ASSURANCE STATEMENTS					· · · · · · · · · · · · · · · · · · ·			
1). Professionally acceptable stan and tollowing actual research,	dards governing the ca teaching, testing, surg	are, freatment, and use lery, or experimentatio	ol animals, including approve n were followed by this researc	ite use of anesthetic, analgesic, and train the lacility.	luilizing drug s, prio	r lo, during,		

3). This facility is adhering to the standards and regulations under the Act, and it has required that exceptions to the standards and regulations be specified and explained by the principal investigator and approved by the Institutional Animal Care and Use Committee (IACUC). A summary of all such exceptions is attached to this annual report. In addition to identifying the IACUC-approved exceptions, this summary includes a brief explanation of the exceptions, as well as the species and number of animals affected.

4). The attending veterinarian for this research facility has appropriate authority to ensure the provision of adequate veterinary care and to oversee the adequacy of other aspects of animal care and use.
