Dear Dr. Gibbens:

Please find enclosed the USDA Registration Update for the Legacy Health System via APHIS form 7011. It has been signed by (b) (6), (b) (7)(C) our VP of Research at Legacy Research Institute.

The only change from the last registration Update in 2016 is that (b) (6), (b) (7)(C) has become Legacy Health's President and CEO. (b) (6), (b) (7)(C) remains the VP of Research at Legacy Research Institute, the address of our USDA registration. USDA was notified of his appointment on June 19, 2017.

(b) (6), (b) (7)(C) DVM remains as our Director of Comparative Medicine for our Animal Care program.

Thanks very much.
