RE: Annual Report of Research Facility for Fiscal Year 2019
Customer ID Number: 663
Registration Number: 21-V-0008

Dear Animal Care staff:

This memorandum is being sent to the APHIS Animal Care office as notification of a change in personnel at the Stratton VA Medical Center. In 2018, Cynthia Smith replaced Gregory Goodale as the Institutional Animal Care and Use Committee (IACUC) Coordinator. Cynthia will prepare the 2019 Annual Report and will therefore need access granted to the portal. Previously Gregory Goodale served as the IACUC Coordinator and is now the Administrative Officer (AO) for Research at Albany Stratton VA. If you have any questions regarding staffing changes please contact Laurence Kaminsky, PhD, ACOS for Research and Development, at 518-626-5622.

Sincerely,

(b)(6)

Darlene A. DeLancey, MS
Medical Center Director
