Dear Dr.'s Goldentyer and Macelderry,

I am writing to inform you of Presbyterian College's intention to not pursue renewal of registration. Certificate number 56-R-0115 (customer number 39769) was registered to Presbyterian College through March 21, 2019. No activities regulated via the Animal Welfare Act are currently ongoing on the PC campus, nor does PC intend to undertake any such project for the foreseeable future. We therefore do not wish to continue utilizing the valuable resources of the USDA and respectfully request termination of the registration. The faculty at PC wish to thank the USDA and Dr. Macelderry in particular for her help, wisdom, and remarkable ability to make a daunting inspection enjoyable throughout this process. Please do not hesitate to contact me with any questions or concerns.

Best regards,

Dear Registrant:

Our records indicate that your facility has failed to submit an updated registration form, as required in Title 9 CFR, Section 2.25, and is therefore in violation of the regulations.

Accordingly, you must immediately submit an updated APHIS Form 7011. However, if your facility is no longer conducting regulated activities, you need to submit a letter to this office requesting termination of your registration.

Please note that if we do not receive a response within 20 days from receipt of this letter, your certificate number will be cancelled. To conduct activities without a valid registration is a violation of the Animal Welfare Act; those who do so are subject to prosecution.

We appreciate your efforts in complying with the Animal Welfare Act. Contact this office at (919) 855-7100 if you have any questions regarding this letter or the Animal Welfare Act.

Sincerely,

(b) (6), (b) (7)(C)
