Dear Sir/Madam:

Raleigh Office

Suite 200
Raleigh, NC 27606
Phone: 919-855-7100

As you requested, we are terminating your Registration under the Animal Welfare Act (AWA) effective the date shown above.

Should you decide to resume operations that require AWA registration, you will need to submit a new application. Please note that operating without a valid registration is a violation of the AWA and subject to legal action.

If you are a research facility, we wish to emphasize that all research facilities -- both active and inactive -- must file an annual report (APHIS Form 7023) with the Animal Care regional office documenting their activities and animal usage for the Federal fiscal year (October 1 through September 30) by December 1 of that year. Research facilities whose registrations were terminated during the fiscal year must also fulfill this requirement. Failure to do so constitutes a violation of the AWA and its regulations.

Accordingly, please complete the enclosed APHIS Form 7023 and return it to the above address. Detailed instructions for completing the form are enclosed. All research facilities should complete items 4 through 13. Also required is the date, signature, and title of the Chief Executive Officer or other legally responsible official who attests to the accuracy of the report and to the assurance statements.

We appreciate your efforts in complying with the Animal Welfare Act. Contact this office at (970) 494-7478 if you have any questions regarding this letter or the Animal Welfare Act.

Sincerely,

(b) (6), (b) (7)(C)

Dear Western Regional,

Covance Laboratories Inc. has purchased the assets of PMI registration#93-R-0579 effective October 29, 2018. The former PMI located at San Carlos, CA now operates as part of Covance Laboratories, Inc. registration# 35-R-0030.

However, we noticed that site#2 originally listed under PMI's registration#93-R-0579 was not transferred over to Covance registration as satellite facility. For this reason, we would like to request that (b) (7)(F) be listed as an additional site (b) (7)(F)

Thank you for your assistance.

Regards,

(b) (6), (b) (7)(C)

a division of Covance Laboratories, Inc.
