Dear (b) (6), (b) (7)(C)

As we mentioned in our December letter adding an Alaska Site to our registration, we will notify you when that site will be active. The Big Lake, Alaska site will be active from March 14, 2019 to March 19, 2019. We also have a tentative date in August, I will follow up as soon as the Principal Investigator confirms his plans.

If you have any questions please don't hesitate to contact me.

Sincerely,

(b) (6), (b) (7)(C)
