Dear Applicant:

Enclosed you will find an application for registration under the Animal Welfare Act (AWA).

Copies of the AWA regulations and standards are also enclosed for your information. If you plan to engage in an activity that requires you to be registered under the AWA, please complete and submit the enclosed APHIS form 7011, Application for Registration. In order for your application to be considered complete, Items 10 and 11 of the form must be signed by the legally responsible official of the facility. The name and address of that person should also appear in Item 8 of the form, where corporate officers are listed.

Upon receipt of this form, we will process your application for registration and assign one of our field inspectors to inspect your facility.

We hope this information is helpful, and we look forward to hearing from you. Contact this office at (919) 855-7100 if you have any questions regarding this letter or the Animal Welfare Act.

Sincerely,

Amy,

I would like to apply for a USDA research registration. I believe that involves form 7011A, but probably other forms as well. My institution's customer ID is 601 and we have previously held a USDA registration under certificate 35-R-0133.

Thank you!
