Dear Dr. Goldentyer,

This communication is to inform you that our (b) (7)(F) site has ceased all animal work as of Friday, December 21, 2018. Our (b) (7)(F) site will continue vaccine manufacturing until third quarter, however, all future animal testing for vaccine test release has now been transitioned to our Fort Dodge location.

Our next USDA annual report for 2018-2019 will reflect our animal usage from Fort Dodge plus our usage at this site from October through December 21, 2018.

Please let us know if there is any additional information you require.

Respectfully,
