Hi Katie,
The new address is the mailing address for Novus Biologicals. It is:

10730 E Briarwood Ave
Centennial, CO 80112

There were not any changes to the phone numbers. This is not where the animals are kept either; that address is remaining the same.

Thank you!

Hello-

Thank you for your inquiry into the AWA. I can process your request based on your email. In order to process your request I need; the new address, any new phone numbers, and if this move is a mailing address and/or site (physical location of the animals) change. If you have any questions please feel free to reach out to our office.

Warmest Regards,

Katie Whisenton

Subject: Change of address Cert no. 84-R-0089

Hello,
The registrant for certificate number 84-R-0089 has moved to a new location. The research facility address has remained the same. How do I go about updating our address?

Thank you,
