Good morning,

(b) (6), (b) (7)(C) is listed as a contact in Efile for Michigan Technological University. Please remove her from the list as she is now retired and no longer associated with the university. I attempted to remove her myself, but the system would not allow me to. Our registration number is 34-R-0142 . I have cc'ed our current (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) who is already listed in the system.

Please contact either Kathy or myself if you have questions.

Thank you,
(b) (6), (b) (7)(C)
