To whom it may concern at USDA,

This letter is to inform you of a change within our animal program. Our former president and institutional official (IO) of our IACUC, (b) (6), (b) (7)(C) has officially retired and I will be taking over his role as IO.

Our IACUC has been informed of the change and I will also formally re-appoint our IACUC committee as I understand from our USDA inspector Katie Frank that this is part of the process of appointing a new IO.

Please let me know if you have any questions or need any additional information from me.

Best regards,
