Dear Dr. Goldentyer:

I am writing to inform you of organizational changes at The Feinstein Institute, as these changes affect our Animal Care and Use Research Program.

In accordance with federal regulations, we previously utilized the services of a consulting veterinarian however, we have recently hired a full time (b) (6), (b) (7)(C) effective 12/2/19. (b) (6), (b) (7)(C) is responsible for the Program of Veterinary Care and oversight of the Center for Comparative Physiology (central vivarium). This change supersedes all prior arrangements.

2. The phone number listed for the Research Facility Headquarters is incorrect. Kindly update the phone number to reflect that of our Institutional Point of Contact, 516-465-2717.

If you have any questions please do not hesitate to contact me.

Sincerely,
