6 Report of the Director of Laboratory Animal Medicine

Need to update emergency contact numbers in animal rooms with research staff numbers in addition to PI.

Need an overcrowded cage SOP.

Email PI about overcrowded cages, if not separated by 48 hrs animal care will do it for a fee.

A suggestion was made to start a grading system for PI's and how they manage their animals, if grade drops IACUC is notified.

Need an SOP for common conditions and treatments so animal care staff can treat animals more efficiently and without waiting for more instruction from the vet.
