Subject: Lehman College Animal Care Registration # 21-R- 0077

Dear Dr. Lopinto,

Since Lehman College Registration # 21-R-0077 is no longer dealing with covered activity, our facility is now only housing mice, we wish to cancel our USDA Registration.

If in the future we again deal with registered animals, we will request re-registration by USDA.

Thanking you in advance for your assistance in this matter, I remain,

Sincerely,
