Subject: PETA on campus today
Date: Thursday, April 25, 2019 8:44:00 AM

Hello AIRT,
Just a heads up that PETA will be on campus today for a demonstration.

This is an annual event and has traditionally been small, quiet, and peaceful. We expect the same this year. As always, please keep your eyes open in your areas, especially where animals are housed or used.

Mike Hill, I have added you as I got an “Out of Office” reply from Dave Kine.

Thanks,
Jeff
