Subject: FW: notification of AV change to USDA

To Whom This May Concern,

The Oklahoma Medical Research Foundation (OMRF) is a registered research facility (Certificate #73-R-002). Our USDA registration is currently inactive. However, since we still hold a USDA registration and want to remain compliant with regulations I would like to report a change of AV. As of March 1, 2019 (b) (6), (b) (7)(C) is the new Attending Veterinarian for OMRF. I also request that (b) (6), (b) (7)(C) and our Associate Director of Comparative Medicine, (b) (6), (b) (7)(C) be added onto our account as representatives of OMRF to make official changes as necessary.

Sincerely,

(b) (6), (b) (7)(C)
