VI. Change in IACUC Membership [*Current roster*]

[illegible]

* Names of members, other than the chairperson and veterinarian, may be represented by a number or symbol in this report to OLAW. Sufficient information to determine that all appointees are appropriately qualified must be provided and the identity of each member must be readily ascertainable by the institution and available to authorized OLAW or other PHS representatives

upon request.

** List specific position titles for all members, including nonaffiliated (e.g., banker, teacher, volunteer fireman; not "community member" or "retired").

*** PHS Policy Membership Requirements:

<i>Veterinarian</i>	veterinarian with training or experience in laboratory animal science and medicine or in the use of the species at the institution, who has direct or delegated program authority and responsibility for activities involving animals at the institution.
<i>Scientist</i>	practicing scientist experienced in research involving animals.
<i>Nonscientist</i>	member whose primary concerns are in a nonscientific area (e.g., ethicist, lawyer, member of the clergy).
<i>Nonaffiliated</i>	individual who is not affiliated with the institution in any way other than as a member of the IACUC and is not a member of the immediate family of a person who is affiliated with the institution. This member is expected to represent general community interests in the proper care and use of animals and should not be a laboratory animal user or former user. A consulting veterinarian may not be considered nonaffiliated.

[Note: all members must be appointed by the Chief Executive Officer (or Individual with specific written delegation to appoint members) and must be voting members. Non-voting members and alternate members must be so identified.]

Statement of Burden

Public reporting burden for this collection of information is estimated to average 90 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0765). Do not return the completed form to this address.

Eileen Morgan
Director, Division of Assurances
Office of Laboratory Animal Welfare (OLAW), NIH

Dear Eileen,

The following changes have occurred to the animal care and use program at the Broad Institute since January 1, 2020.

Program Changes:

- The Broad IACUC may conduct business by telecommunications.
 - o The Broad IACUC convenes as needed to adequately perform their duties, generally on a monthly basis with a quorum of members present for voting to review animal research protocols sent for FCR. IACUC meetings are conducted in person, via telecommunications, or a mixture of members present in person and remotely. Quorum must be maintained when a member leaves the room.

Change in IACUC Membership: The following changes in IACUC membership occurred during the reporting period. The full IACUC is enclosed.

- A new IACUC Chair was appointed (Bridget Wagner, PhD).
- A scientific alternate member's appointment terminated (126).
- A new alternate scientific member was appointed (131).
- A new non-scientific member was appointed (132).
- A new scientific member was appointed (130).

Please feel free to contact me should you have any questions.

Sincerely,
