Good Afternoon,

My name is (b) (6), (b) (7)(C) and I am currently serving Central Carolina Community College as the Animal Facilities Manager for the Veterinary Medical Technology program.

We just received a notification from USDA dated for December 1st that our 2020 Annual Report had not been received. We sent our report out around November 9th. Are you able to verify that you did or did not receive our report?

If you did not receive the report, I do have a copy of the report that we keep for our own records (the original is usually mailed). Would it be appropriate to submit a copy for USDA filing purposes?

Please advise.

Regards,
