Good afternoon,

I mailed Texas A&M AgriLife Research's Annual Report of Research Facility for our Texas A&M AgriLife Research & Extension Center at (b) (7)(F) on November 24, 2020. I was wondering if I could get an update if the report has made it to the Animal Care Office at USDA? This is my first time filling this out and mailing so I just want to confirm I've completed it correctly.

Thank you for your help!
