FACILITIES MANAGEMENT

## SECTION I - GENERAL LABORATORY/INSTITUTION INFORMATION

### Ownership:

☒ Corporation      ☐ Government      ☐ Individual      ☐ Not For Profit      ☐ Partnership  
☐ Other: \_\_\_\_\_

### Facility Type:

☐ 2 Year College      ☐ 4 Year College      ☐ Clinical or Environmental Lab  
☐ Hospital      ☐ Medical School      ☐ Product Testing Lab  
☐ Public Health Lab      ☐ Research & Development Lab      ☐ Veterinary School  
☒ Other: breeder of laboratory mice & rats

## SECTION II - PROGRAM INFORMATION

### Animals (Check all that apply):

- |   |                                      |   |                                      |
|---|--------------------------------------|---|--------------------------------------|
| <input checked="" type="checkbox"/> Mice (genus mus)    | <input type="checkbox"/> Hamsters    | <input type="checkbox"/> Fish               | <input type="checkbox"/> Sheep/Goats |
| <input type="checkbox"/> Mice (wild or other)           | <input type="checkbox"/> Guinea Pigs | <input type="checkbox"/> Cats               | <input type="checkbox"/> Cattle      |
| <input checked="" type="checkbox"/> Rats (genus rattus) | <input type="checkbox"/> Rabbits     | <input type="checkbox"/> Dogs               | <input type="checkbox"/> Swine       |
| <input type="checkbox"/> Rats (wild or other)           | <input type="checkbox"/> Small Birds | <input type="checkbox"/> Non-Human Primates | <input type="checkbox"/> Poultry     |
| <input type="checkbox"/> Other: _____                   |                                      |   |                                      |

Are you currently housing live animals at your institution? ☒ Yes ☐ No

If you are not currently housing live animals, do you anticipate having live animals in your facility during the next 12 months?\* ☐ Yes ☐ No

\*LAWP permits are issued to those institutions that maintain living animals for teaching and/or research and have the appropriate programs and facilities to properly and humanely care for those animals.

Does your laboratory/institution have an Animal Care Committee? ☒ Yes ☐ No  
(If Yes, attach a copy of the Committee members)

Since your last application, have there been any changes in your animal care and use procedures (i.e. feeding programs, disease control, environmental management, humane care, euthanasia)? ☐ Yes ☒ No  
(If Yes, please explain)

Note: Any procedures that require the withholding of feed and water or exposing the animals to adverse or unusual conditions should be documented in your animal use protocols and approved by your IACUC.

### Living animals are used for (Check all that apply):

- |  |   |
|--|---|
| <input checked="" type="checkbox"/> Diagnostic Procedures  | <input type="checkbox"/> Education/Teaching Demonstrations  |
| <input checked="" type="checkbox"/> Experimentation        | <input type="checkbox"/> Farm Production                    |
| <input type="checkbox"/> Public Display                    | <input type="checkbox"/> Public Health/Disease Surveillance |
| <input checked="" type="checkbox"/> Other: <u>breeding</u> |   |

Are animals used in studies with human infectious agents? ☐ Yes ☒ No  
(If Yes, attach a copy of your procedures for processing medical waste generated by the animals)

### Registration/Accreditation Type:

- |   |  |                               |
|---|--|-------------------------------|
| <input checked="" type="checkbox"/> AAALAC Accredited | <input type="checkbox"/> USDA Registered | <input type="checkbox"/> None |
| <input type="checkbox"/> Other: _____                 |  |                               |

☒ Attach a list of all full-time and part-time animal care staff which includes the following information:  
Name, Full-Time or Part-Time, Title and Education Level (Highest).

☐ No additional staff.

## SECTION IV - ATTESTATION

I have read the Administrative Rules and Regulations concerning the use of living animals and understand that I am fully responsible for all work involving the use of living animals. I understand that the Certificate of Approval is not transferable and the New York State Department of Health (the Department) shall be advised promptly if the individual, in whose name approval has been granted, ceases to be in charge. The facility(ies) will be operated according to all applicable laws, rules and regulations.

I understand that by signing this application form I agree to cooperate with any investigations conducted by the Department to verify or confirm information given or any other investigation conducted in connection with animal welfare in any facility identified in this application. If additional information is requested, I will provide it.

In signing this application, I hereby certify that the information I have given the Department as a basis for obtaining or retaining a certificate of approval is true and correct. As information changes, I will promptly notify the Department. Further, I understand that filing a false instrument constitutes a crime under the Penal Law of the State of New York.

Re: 2019 Renewal - NYS Approval for the use of Living Animals  
Taconic Biosciences, Inc., A018

Dr. Blaisdell:

Enclosed herewith is the 2019 renewal application for approval for use of living animals, submitted on behalf of Taconic Biosciences, Inc..

Changes from 2018 include corrected corporate address information in Section I; other minor updates additionally include the list of full- and part-time animal care staff and changes to the IACUC roster; please contact the undersigned should you have any questions concerning the enclosed materials.

Please note that the enclosed materials include confidential information concerning Taconic employees: it is my understanding that this information will be maintained confidentially by the New York State Department of Health, and will not be further distributed or disseminated. The enclosed employee information, including IACUC membership information, is provided on the condition that it shall be maintained as confidential material.

Thank you for your consideration.

Sincerely,

Wendy E. Nack-Lawlor  
Director, Associate General Counsel  
US IACUC Chair
