2.31(d)(1)(ii)

Institutional Animal Care and Use Committee (IACUC).

No alternative search was conducted for Protocol 15-013-02.

The regulations require principal investigators to consider alternatives to procedures that may cause more than momentary or slight pain and distress to the animals and to provide a written narrative of the methods used and sources consulted to determine availability of alternatives.

The Institutional Animal Care and Use Committee (IACUC) shall ensure that a proposal to conduct an animal activity includes an adequate search for alternatives to assure minimal pain and distress.

Correct on all future Protocols.

This inspection and exit interview were conducted with a facility representative.
