\* Names of members, other than the chairperson and veterinarian, may be represented by a number or symbol in this report to OLAW. Sufficient information to determine that all appointees are appropriately qualified must be provided and the identity of each member must be readily ascertainable by the institution and available to authorized OLAW or other PHS representatives upon request.

\*\* List specific position titles for all members, including nonaffiliated (e.g., banker, teacher,

volunteer fireman; not “community member” or “retired”).

\*\*\* [PHS Policy](#) Membership Requirements:

<i>Veterinarian</i>	veterinarian with training or experience in laboratory animal science and medicine or in the use of the species at the institution, who has direct or delegated program authority and responsibility for activities involving animals at the institution.
<i>Scientist</i>	practicing scientist experienced in research involving animals.
<i>Nonscientist</i>	member whose primary concerns are in a nonscientific area (e.g., ethicist, lawyer, member of the clergy).
<i>Nonaffiliated</i>	individual who is not affiliated with the institution in any way other than as a member of the IACUC and is not a member of the immediate family of a person who is affiliated with the institution. This member is expected to represent general community interests in the proper care and use of animals and should not be a laboratory animal user or former user. A consulting veterinarian may not be considered nonaffiliated.

### Statement of Burden

Public reporting burden for this collection of information is estimated to average 90 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0765). Do not return the completed form to this address.

**Program Updates****Occupational Health & Safety Updates**

- Covid-19 safety precautions remain in place within the animal facilities.
- A new mask wearing mandate for animal care facility users was implemented. Surgical masks are worn at all times within the animal care facilities.
- New biological safety officer, Danielle Rintala, was appointed to the Institutional Biosafety Committee (IBC).
- New cloud-based chemical inventory software system ChemInventory.net was purchased and can be used to track chemicals and display Globally Harmonized System (GHS) safety information.

**AAALAC Site Visit/ Accreditation Update**

- AAALAC site visit occurred on January 20, 2021. Received notice from AAALAC in July 2021 that UWO was granted full continuing accreditation.

**Veterinary Update**

(b) (6)

**Environmental, Housing, and Facility Updates**

- Pest Control Program was updated to enhance the safety of animals.
- Communication was sent to IO regarding repair and replacement needs for the cage washing units.
- New soap and sanitizer dispensers installed in HACF.
- Sensors for Sensaphone temperature monitors were relocated in the CACF.
- New HVAC supervisor John Fenlon started August 2021.
