1 - This member is employed by a another institution in a non-animal related position

*The PHS Policy IV.A.3.b.(4) describes the nonaffiliated member as "one individual who is not affiliated with the institution in any way other than as a member of the IACUC, and is not a member of the immediate family of a person who is affiliated with the institution." The nonaffiliated member represents the general community interests in the proper care and use of animals. The nonaffiliated member is (1) not a laboratory animal user or former user, (2) not affiliated with the institution, or (3) not an immediate family member of an individual affiliated with the institution. Immediate family includes parent, spouse, child, and sibling.*

*In evaluating the qualifications of an individual to serve as a nonaffiliated member, the Chief Executive Officer should confirm the appointee has no discernible ties or ongoing affiliation with the institution. Regarding service of former employees or students as nonaffiliated members, the appointing official must be assured that the person is not in any way obligated to the institution. Real or perceived conflicts of interest must be avoided to ensure the IACUC's and the institution's integrity. Appointment of an individual who is unambiguously unaffiliated is the most effective way to fulfill the intent of the Policy. Public member is another term for nonaffiliated member. (See NOT-OD-15-109) **Does Committee #2 meet the criteria of a non-affiliated member?***
