\* Names of members, other than the chairperson and veterinarian, may be represented by a number or symbol in this report to OLAW. Sufficient information to determine that all appointees are appropriately qualified must be provided and the identity of each member must

be readily ascertainable by the institution and available to authorized OLAW or other PHS representatives upon request.

\*\* List specific position titles for all members, including nonaffiliated (e.g., banker, teacher, volunteer fireman; not "community member" or "retired").

\*\*\* [PHS Policy](#) Membership Requirements:

<i>Veterinarian</i>	veterinarian with training or experience in laboratory animal science and medicine or in the use of the species at the institution, who has direct or delegated program authority and responsibility for activities involving animals at the institution.
<i>Scientist</i>	practicing scientist experienced in research involving animals.
<i>Nonscientist</i>	member whose primary concerns are in a nonscientific area (for example, ethicist, lawyer, member of the clergy).
<i>Nonaffiliated</i>	individual who is not affiliated with the institution in any way other than as a member of the IACUC, and is not a member of the immediate family of a person who is affiliated with the institution. This member is expected to represent general community interests in the proper care and use of animals and should not be a laboratory animal user. A consulting veterinarian may not be considered nonaffiliated.

*[Note: all members must be appointed by the CEO (or individual with specific written delegation to appoint members) and must be voting members. Non-voting members and alternate members must be so identified.]*

### Details of Changes to Institution's Animal Care and Use Program

- 1) WSU IACUC Policy 34 "IACUC Semiannual Inspections and Program Review" was revised to allow the option to use ad hoc consultants for facility inspections not housing AWA-covered species. The IACUC remains responsible for the evaluation and reports to the Institutional Official.
- 2) Washington State University does not currently receive funding from NASA for work involving vertebrate animals and does not utilize the International Space Station for research involving vertebrate animals.

These two areas are located within our Veterinary Teaching Hospital and used in support of our veterinary teaching and raptor rehabilitation programs. We delayed the IACUC inspections as the hospital was developing/implementing COVID safety protocols and reduced services to emergency cases only.
