|  | Alternate Member |
|  | Alternate Veterinarian |
|  | Alternate Scientist |

* This information is mandatory.
**Names of members, other than the chairperson and veterinarian, may be represented by a number or symbol in this submission to OLAW. Sufficient information to determine that all appointees are appropriately qualified must be provided and the identity of each member must be readily ascertainable by the institution and available to authorized OLAW or other PHS representatives upon request.
${ }^{* * *}$ List specific position titles for all members, including nonaffiliated (e.g., banker, teacher, volunteer fireman; not "community member" or "retired").
**** PHS Policy Membership Requirements:
Veterinarian veterinarian with training or experience in laboratory animal science and medicine or in the use of the species at the institution, who has direct or delegated program authority and responsibility for activities involving animals at the institution.

Scientist practicing scientist experienced in research involving animals.
Nonscientist member whose primary concerns are in a nonscientific area (e.g., ethicist, lawyer, member of the clergy).

Nonaffiliated individual who is not affiliated with the institution in any way other than as a member of the IACUC, and is not a member of the immediate family of a person who is affiliated with the institution. This member is expected to represent general community interests in the
proper care and use of animals and should not be a laboratory animal user. A consulting veterinarian may not be considered nonaffiliated.
[Note: all members must be appointed by the CEO (or individual with specific written delegation to appoint members) and must be voting members. Non-voting members and alternate members must be so identified.]

## X. Facility and Species Inventory - WSU OLAW ASSURANCE

DATE: as of January 2021
NAME OF INSTITUTION: Washington State University
ASSURANCE NUMBER: D16-00303 (A3485-01)

| Campus Location | Laboratory, Unit, or Building Number | Gross Square Feet [Include Service Areas] | Species housed [use common names, e.g., mouse, rat, rhesus, baboon, zebrafish, African clawed frog] | Approximate Average Daily Inventory [by species] |
| :---: | :---: | :---: | :---: | :---: |
| (b) (4) | 1 | 57,064 sq. ft | Cattle, Sheep, Pigs | Cattle-100 <br> Sheep-30 <br> (seasonal for <br> class lab) <br> Pigs- 10 <br> (seasonal for <br> class lab) |
|  | 2 | $\begin{aligned} & 3,200 \text { sq. ft } \\ & \text { Acres }-12 \\ & \hline \end{aligned}$ | Cattle | Cattle - 15 |
|  | 3 | Acres - 1,000 | Cattle | $\text { Cattle - } 100$ <br> (Seasonal) |
|  | 4 | 73,805 sq. ft | Cattle | Cattle - 225 |
|  | 5 | 83,655 sq. ft | Cattle | Cattle - 380 |
|  | 6 | $\begin{gathered} 3,487 \mathrm{sq} . \mathrm{ft} \\ \text { Acres }-1 \\ \text { (exercise yard) } \end{gathered}$ | Bears | Bears - 11 |
|  | 7 | Acres - 8 | Deer | 20 |
|  | 8 | 6,382 sq. ft | NA - No animal housing in this facility - This facility is used to make diets for some of the WSU research and teaching animals (deer, rabbits, cattle, swine) | NA |
|  | 9 | 1200 sq. ft | Cattle, Pigs, Sheep | $\begin{gathered} \hline \text { Cattle -0 } \\ \text { Pigs - } 0 \\ \text { Sheep -0 } \\ \text { (potential } \\ \text { overnight } \\ \text { housing on an } \\ \text { irregular basis) } \end{gathered}$ |
