The NIH Office of Laboratory Animal Welfare (OLAW) is deeply concerned about the impact of the expanding outbreak of the respiratory illness known as COVID-19 on the ability of Assured institutions to maintain an animal care and use program in complete accordance with the Public Health Service (PHS) Policy on Humane Care and Use of Laboratory Animals (Policy).

OLAW recognizes that as the novel coronavirus outbreak continues, it becomes increasingly difficult for Assured Institutions to adhere to provisions of the PHS Policy, the *Guide for the Care and Use of Laboratory Animals (Guide)*, and the commitments detailed in their Animal Welfare Assurance. In accordance with PHS Policy Section V.D., OLAW has reviewed and approved your institution's request for a temporary waiver of Section IV.B.2. of the PHS Policy regarding the inspection, at least once every six months, of your institution's animal facilities (including satellite facilities). OLAW expects your IACUC to complete inspections of your animal facilities that were postponed and schedule the next inspections within 6 months.

If OLAW can be of further assistance, please contact olawdpe@mail.nih.gov.

Sincerely,
