Site: 008

Pima Medical Institute

Type: ROUTINE INSPECTION

Date: Sep-29-2014

2.31 (c) (1)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

The IACUC has not conducted the review of the facility's program for the humane care and use of animals used in teaching activities within the last 6 months. Previous meetings with the IACUC to review the program occurred on 9/12/2013 and 2/10/2014 but no review has been conducted since to ensure that animals used in teaching activities are used in a manner that minimizes pain and distress and to meet all of the regulatory requirements under the Act,

he IACUC shall review, at least once every six months, the research facility's program for humane care and use of animals,.

To be corrected by 10/31/2014.

2.31 (c) (2)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

The IACUC has not conducted the inspection of the facilities used for teaching activities involving animals within the last 6 months. Previous IACUC inspections of the facilities occurred on 9/12/2013 and 2/10/2014 but no inspection has been conducted since to ensure that animals used in teaching activities are used in a manner that minimizes pain and distress and to meet all of the regulatory requirements under the Act,

The IACUC shall inspect, at least once every six months, all of the research facility's animal facilities, including animal study areas.

To be corrected by 10/31/2014.

Accompanied on the inspection by the Program Director, Campus Director, Clinical Director, and the Attending Veterinarian. Exit interview conducted on site with facility representatives.
