RE: NOTIFICATION OF IACUC APPROVAL: PROTOCOL AL01G

STUDY TITLE: Pilot Study to Evaluate (b) (4) prototypes
in caprine cervical disc model

(b) (6), (b) (7)
(C)

The procedures and the animals used in the pre-clinical research proposal referenced above ("the Protocol"); Study Code (b) (4) was reviewed and approved by the T3 Labs Institutional Animal Care and Use Committee (IACUC) and by Designated Member Review on July 22, 2022. In accordance with federal regulations, this letter shall serve as written notification of the determination of the IACUC.

This approval notification letter confirms the IACUC's permission to use three (3) animals for level D in accordance with the protocol.

Protocols are in effect for a three (3) year period and this protocol, and all amendment(s) will expire on July 22, 2025.

Please contact me if you have any questions.

Sincerely,

(b) (6), (b) (7)(C)
