Dear Licensee:

We are pleased to inform you that you have met the relicensing requirements to continue regulated activity under the Animal Welfare Act (AWA) and re-license. Accordingly, we are enclosing a copy of your approved application (APHIS Form 7003A), along with your official license certificate, which is suitable for display.

Please take note of your license expiration date. We will mail you an application approximately 120 days prior to the expiration date. At that time, please complete the application and any other applicable documents and mail it along with your \$120.00 licensing fee. You may pay by credit card, personal check, cashier's check, certified check, or money order. If you choose to pay with a credit card, you will use the credit card authorization form enclosed in your application kit. Animal Care cannot accept cash payments.

Per the AWA you must notify Animal Care no fewer than 90 days before any change in the name, address, substantial control or ownership of business or operation, locations, activities, and/or number or type of animals. These such changes may result in the need for you to obtain a new license.
