Hello Sara,

RE: Name of Research Institution Changing

I hope you are doing well and your summer is off to a good start.

I am writing to inform you that the name of our research institute is changing from Maine Medical Center Research Institute (MMCRI) to the NEW name of **MaineHealth Institute for Research (MHIR)**. The name is being changed to accurately reflect the organization's role in conducting a range of health care research throughout the MaineHealth system, in Maine and New Hampshire. Our parent organization is Maine Medical Center (MMC) MaineHealth.

Please let me know if there are additional actions that I should take for formally change our name with the USDA. I will make sure that our name change is reflected in our next annual report.

Best Regards,
