**Agenda Item 1: Approval of the minutes:**  
a. Barring any objections, the minutes from the June 10, 2021 meeting were accepted as written.

**Agenda Item 2: Monthly Activity Reports:**  
a. Full Committee Review of Protocols / New  
▪ PROTO202100168 - This study will report the absorption, distribution, and excretion, and impact on the gut microbiome of dietary oxidized cholesterol (DOxS) in vivo, showing its biological signatures. There were questions in regard to experiments and procedures. There being no further discussion, a motion was made to send to designated member review. The motion carried unanimously.

Full Committee Review of Amendments – None

b. Information Items  
▪ Annual Reviews for October 2021

**Agenda Item 3: Program Review**  
a. ACP Personnel Changes – the assistant VP for Regulatory Affairs was in attendance to update the committee on changes to key leadership roles within the animal care program.

b. Henry Ford / MSU Partnership – a brief update on the partnership of Henry Ford Health System and MSU was provided to the committee.

c. Semiannual Report to the IO - The committee was sent the semiannual report for review prior to the meeting. The report was reviewed and discussed by the committee. The recommendations to the IO will be revised to reflect the committee discussion. Any additional corrections / additions / minority opinions are to be submitted to the IACUC administrator.

A final draft will be presented in August for committee approval.

d. USDA Annual Inspection - the annual inspection was completed during the week of June 28<sup>th</sup> and there were no citations identified. There was one Teachable Moment regarding the shelter in a pasture housing two horses at the [REDACTED].

e. Guideline Review - The guidelines were provided to the committee prior to the meeting for review. The Attending Veterinarian highlighted updates. The approved guidelines will be posted to the program website.

- IG002 – Anesthesia Vaporizer Maintenance – approved with one minor edit
- IG008 – Expired Medical Materials - approved with minor edits
- IG045 – Tribromoethanol (Avertin ®) in Rodents – approved with one minor edit

**Agenda Item 4: Training**

- a. Click Topics
- View Differences – the committee was informed that the view differences functionality in the Click® program is not currently working correctly (particularly with amendments). It was requested that this be taken into consideration when reviewing protocol revisions and amendments.

**Agenda Item 5: Post Approval Monitoring Report**

- a. June Laboratory Inspection Report – Laboratory inspections and post-approval monitoring for the month of June were performed.

**Agenda Item 6: Environmental Health and Safety Report – Nothing to report**

**Agenda Item 7: Attending Veterinarian Report – Nothing to report**

**Agenda Item 8: Compliance Update – None**

**Agenda Item 9: New Business**

- a. Reviews during absence – the committee was reminded to notify the IACUC office of instances when they are unavailable for protocol review.

**Agenda Item 10: Old Business – None**

**Agenda Item 11: Other (Informational items) – None**

**Agenda Item 12: The next scheduled meeting will be August 12, 2021**

**THIS MEETING WILL BE HELD VIA TELECONFERENCE**

There being no further business to discuss, the meeting was adjourned at 11:12.
