Re: Addition and Removal of Facility Sites

Dear Dr. Goldentyer,

On behalf of the Cardiovascular Research Foundation, I would like to request that the following sites be added to our registration as locations where select CRF animals might be boarded:

(b) (6), (b) (7)(C)

In addition, I am also requesting that New York Medical College (NYMC), Valhalla, NY, listed as Site Code #007 on the APHIS Form 7023 for FY 2021 be removed from our registration, as this site has not been utilized in the past ten months.

Thank you for your assistance.

(b) (6), (b) (7)(C)

Sincerely,

(b) (6), (b) (7)(C)
