Dear USDA Animal Care:

Rutgers, the State University of New Jersey, currently has two USDA researcher registrations: 22-R-0157 (RBHS New Jersey Medical School, located in Newark, NJ) and 22-R-0025 (Rutgers State University of NJ, located in New Brunswick/Piscataway, NJ). We would like to combine the two units into a single USDA researcher registration. Specifically, we would like to migrate the species/locations outlined in 22-R-0157 into 22-R-0025, then close out registration 22-R-0157 permanently. Please note that we are not introducing any new USDA locations as part of this proposed merger. How do we start the process?  
Thank you for your consideration.

(b) (6), (b) (7)(C)

IACUC Director, Rutgers Animal Care  
Adjunct Assistant Professor, Cell Biology and Neuroscience
