Hello,

It depends if your EIN # has changed. If it has not you can continue to report under your facility's Current registration #.

Visit efile.aphis.usda.gov/LRAssistant to complete the 5 to 15 minute questionnaire that will recommend the specific license and/or registration types required (if any) and provides links to download those applications.

Good morning,

Since the merger with Saint Joseph's University on June 1, 2022, our annual report spans the merger. Are we completing this report for USciences or Saint Joseph's University? I am unsure how to handle this. Also, I am not sure if my office should submit it or if the compliance office at Saint Joe's should be submitting along with their facility report.

Please advise.

Good morning,

Since the merger took place on June 1, 2022, University of the Sciences does not exist anymore therefore our EIN# is now Saint Joseph's University's EIN.
