Subject: Request to cancel registration for one site (008) within 41-R-0005
Date: Friday, September 16, 2022 9:32:23 AM

Hello,

I am writing to request cancellation of a research facility registration for one site within the University of Minnesota's overall registration.

Customer ID: 547

Certificate: 41-R-0005

Site to Cancel: 008 Itasca Biological Station & Lab (28131 University Circle, Lake Itasca, MN 56470)

Reason: Regulated species will no longer be used, handled or transported at this specific site.

Please note that this request is only for Site 008 and all other sites on our registration (001-Minneapolis, 002-St. Paul, 003-Spring Valley, and 005-Duluth) remain active.

Please let me know if you have any questions about this request.

Thank you,
