Realized I didn't copy the AC inbox on this email to you, Nate. Apologies, just closing the loop!

Please see below regarding a research facility no longer conducting regulated activity. Thanks!

Good morning, Nate! I know you're off today, but wanted to get you this so it doesn't fall through the cracks.

This research facility closed last year (<https://aphis.lightning.force.com/lightning/r/Account/001t000000DR1IQAAAX/view>). What's needed to get them cancelled?

Thanks so much,
Eilis

Cynthia, we are closing SVR. I would appreciate a call when you get a chance. We need to know the proper way to dispose of our dogs. Possibly you would know of someone who would take them.

Thank you!
