Hello,

I am the Program Director for the Veterinary Technician Program at PIMA Medical Institute Albuquerque. I need to request our site, #005, be reactivated. The program is now beginning and will be active from here on out. Please let me know if there is anything else you need from me.

Thank you,

Hello,

I mistakenly sent you this email last Friday, and I have since been notified by our regulatory officers here at PIMA that we do NOT need to reactivate our registration. We are operating under protocols that do not require USDA registration. I apologize for the misunderstanding, and if you have any questions, please do not hesitate to contact me.
