Hi William,

Thank you for the quick response!

Would you be able to send UCI a new registration certificate without the expiration date?

Hi there,

Can you confirm: Research institutions are no longer required to renew USDA registrations?

That's what I gathered from the [2021-Nov-23 notice](#), but I wanted to make sure since this has been habitual for so many years. (Apologies for the redundant ask.)

Let me know, thank you!
