\* Names of members, other than the chairperson and veterinarian, may be represented by a number or symbol in this report to OLAW. Sufficient information to determine that all appointees are appropriately qualified must be provided and the identity of each member must be readily ascertainable by the institution and available to authorized OLAW or other PHS representatives upon request.

<sup>\*\*</sup> List specific position titles for all members, including nonaffiliated (e.g., banker, teacher, volunteer fireman; not "community member" or "retired").

\*\*\* PHS Policy Membership Requirements:

| Veterinarian | veterinarian with training or experience in laboratory animal science and medicine or in the use of the species at the institution, who has direct or |
|--------------|---|
|              | delegated program authority and responsibility for activities involving animals at the institution.   |

- *Scientist* practicing scientist experienced in research involving animals.
- *Nonscientist* member whose primary concerns are in a nonscientific area (for example, ethicist, lawyer, member of the clergy).
- *Nonaffiliated* individual who is not affiliated with the institution in any way other than as a member of the IACUC, and is not a member of the immediate family of a person who is affiliated with the institution. This member is expected to represent general community interests in the proper care and use of animals and should not be a laboratory animal user. A consulting veterinarian may not be considered nonaffiliated.

[Note: all members must be appointed by the CEO (or individual with specific written delegation to appoint members) and must be voting members. Non-voting members and alternate members must be so identified.]

\*These holding areas for fish<sup>1</sup> and finches<sup>2</sup> are operated by Principal Investigators with CAC and DCM approval and oversight.

\*This facility was under renovation and did not house any animals during this period of time.

In addition to the animal facility inspections identified above, surgery and procedure areas managed by principal investigators were inspected. Reports of all inspections were prepared in accordance with the requirements of Section IV.B.3 of the PHS Policy, and those completed between 1/1/2019 and 3/31/2019 were reported to Professor Maria T. Zuber, Institutional Official, on 5/9/2019; those completed 4/1/2019 through 9/30/2019 were submitted to the IO on 11/7/2019. Evaluations and inspections occurring 10/1/2019 through 12/31/2019 will be submitted to the IO in the semiannual report for the period 10/1/2019 through 3/31/2020.
