## Accredited Unit Annual Report

### Report Year: 2018

**Unit Number: 000983**

**Accredited Unit Name: Ohio University**

**Parent Organization Name: Ohio University**

**Unit Reporting Period \* (Required Field)**

• 01/2018                      From (MM/YY) 12/2018                      To (MM/YY)

Please submit following the end of the unit reporting period.

Units are encouraged to submit Annual Reports in accord with the unit's reporting period, (i.e., calendar or fiscal year, or USDA reporting period). If you change your reporting period, please be sure that there are no gaps from previous report.

In sections 1-4, please make corrections to reflect current contact information. In sections 5-16, enter the information for your Unit's reporting period.

- 5. Please verify the information provided regarding the physical areas supporting your animal care and use program. If this information differs from what was provided in your most recent Program Description or last annual report (whichever is most current), please note and explain:

- Current Information

- Change to Information

- 8 Number of buildings
- Number of buildings
- 68 Outdoor pens/pastures (acreage)
- Outdoor pens/pastures (acreage)
- 39270 Total square footage (animal care program **including support areas**)
- Total square footage (animal care program **including support areas**)
- 4 Number of sites (locations)
- Number of sites (locations)
- 
- 

- 6. Note addition or deletion of animal rooms, laboratories, units, or buildings:

Not applicable

- 7. The Council on Accreditation notes that there is no obligation for institutions to make program changes based on suggestions for improvement identified during a site visit and described in the subsequent letter from Council. However, if your institution implemented program modifications in response to those suggestions, you may take this opportunity to summarize the actions taken:

Not applicable

- 8. State and describe changes in organizational structure of the program:

Not applicable

- 9. Were any research, testing, or teaching protocols suspended during this reporting period for animal welfare related reasons?

☐ Yes ☒ No

- If yes, provide details regarding suspension(s):

- 10. AAALAC's Rules of Accreditation (Section 2.f) require accredited units to promptly report adverse events relating to their animal care and use programs, including investigations by national oversight bodies (e.g., USDA, OLAW, Home Office, CCAC) and other serious incidents or concerns that negatively impact animal well-being. If you were unaware of this requirement and have not previously reported the incident(s):

- a) Were any major problems identified or deficiencies noted by animal welfare oversight authorities/bodies/agencies during this reporting period?

☐ Yes ☒ No

- If yes, provide explanatory documentation:

- b) Did you self-identify any serious deviations from your institutional animal care and use program requirements or policies?

☐ Yes ☒ No

- If yes, provide details of the deviations:

- 

- 11. Using the drop-down menu to select the animal species, please enter the approximate annual usage for the above stated reporting period (for U.S. units, USDA Annual Report figures may be used for regulated species):
