Animal Care is the division of the U.S. Department of Agriculture (USDA) that is responsible for the enforcement of the Animal Welfare Act. The Act provides minimum standards for the humane care and use of animals at USDA licensed or registered facilities.

Animal Care inspectors conduct routine unannounced inspections at all USDA licensed and registered facilities to ensure that they are meeting or exceeding these minimum standards. Our inspectors also conduct searches when necessary in response to valid concerns and complaints received from the public to ensure the well-being of the animals and compliance with the law. If violations are found enforcement action appropriate for the circumstances will be initiated.

Please be assured that we will look into your concern(s) and the appropriate action(s) will be taken.

Thank you for your interest into the welfare of these animals.

Sincerely,

Bernadette Juarez
Deputy Administrator
