MISCELLANEOUS.

There was no one available during business hours to allow APHIS Officials to enter and inspect the facilities, property, records, and animals on 26-JUL-17 at 10:30 am. I reached the Director of Animal Welfare and Research Integrity by phone. She stated that she was out at a meeting and there was no one in the office that day who could meet me and give access.

A copy of the report will be emailed and sent by regular mail to the Director of Animal Welfare and Research Integrity.
