2.31(c)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

The last IACUC meeting and semi-annual review was held in January of 2016. No semi-annual review has been conducted since that time. It has been over a year since the last review. No reports have been done since January of 2016. The IACUC must review at least once every 6 months, the research facility's program for humane care and use of animals, and prepare reports of its evaluation including the inspection of the animal facility. A system to make sure that the meetings, inspections and reports are routinely done. This is to ensure that the health and well-being of the animals are routinely reviewed.

To be corrected by 3/3/2017

This inspection and exit interview were conducted with facility representative.
