#### INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

The Institutional Animal Care and Use Committee (IACUC) has not completed a semi-annual review of its program for humane care and use of animals since 9/16/16.

The semiannual review is necessary in order to ensure compliance with animal welfare laws and regulations. Failure to conduct reviews of its program at least once every six month could lead to deficiencies in animal welfare safeguards. The IACUC should complete a semiannual review of its program and submit a report to the Institutional Official by 6/17/17.

An exit interview was conducted with the facility representative on 5/17/17.
